User Interface

Designed for different skin types

**Sensitive Mode**  
for people who have sensitive skin, the intensity of steam is lesser

**Normal Mode**  
for people who have normal skin, the intensity of steam is higher

## KEY BENEFITS

**Convenience** – Experience the benefits of steam from the comfort of your home.

**Ergonomic Designs** – Experience steam with convenience.

**Designed for all Skin Types** – Sveda™ available in two modes:

- Sensitive Mode for reduced steam intensity
- Normal Mode, produces rich luxurious steam in 30-45 seconds

**Auto Clean** – For better hygiene, Sveda™ has an Auto Clean mode which cleans the entire steam passage of any residual water in 5 minutes.

**Peace of Mind** – Kohler service support ensures complete peace of mind. It also entitles you to a preventive check-up of your Sveda six months after your purchase.
